

megamat

**Tired of replacing chairmats too often?
Can't find a chairmat that stands up?
Look no further!**

The Mega Mat chair mat range is designed to meet the testing demands of a “24 hour” workstation or the Big & Tall chair user.

- Made with 100% virgin Floortex Original Polycarbonate for ultimate performance.
- Exceptionally durable & over twice the thickness of conventional Polycarbonate chairmats.
- Virtually unbreakable under correct application.
- Provides over double the impact strength of PVC and half the weight of glass chair mats.

- Textured top surface for controlled chair glide
- Ergonomic and can reduce fatigue
- Smooth back for hard floors and all pile carpets
- Free of Phthalates, PVC, Tin, Lead and Cadmium
- Produced using 30% renewable energy
